

In an effort to extend our service beyond our business and become an integral community partner, Stokes Law Office will donate \$25 to a local charity for each contract a REALTOR® closes with Freedom Title Lewisville. The \$25 will be donated on behalf of the REALTOR® and the REALTOR® will be able to choose from one of the following charities:

Operation Kindness: A no-kill shelter dedicated to providing quality care and loving home for homeless and unwanted cats and dogs.

Christian Community Action (CCA) An agency that ministers to the poor by providing comprehensive services such as food, shelter, education, and training to 42 communities in Denton, Collin, Dallas, Tarrant, and Wise counties.

Children's Advocacy Center for Denton County: Center's goals are to: reduce trauma to victims of child abuse; promote emotional healing for victims and their families; and promote community safety by holding offenders accountable for their crimes against children.
