

HomePath Online Offers System

Make an offer today—it's easy!

Beginning February 2, 2012 all offers on Fannie Mae-owned properties in **every state** must be made through the HomePath Online Offers system.

Benefits:

- Submit online quickly and simply with the **"Make an Offer"** button
- Get up-to-date offer status information
- Manage offer online
- Conduct more efficient offer negotiations and broker/agent communications
- Access powerful training tools, webinars and a superior customer support hotline

If you're a Selling Agent:

Don't forget, once you are ready to make an offer, you'll need to register on **HomePath.com** to participate.

If you're a Listing Agent:

Check with your MLS first and if permitted, update your Agent Only Remarks: **"Beg. 2/2/12, offers must be made online via HomePath.com."** Insert the same instructions into the Agent Only Remarks in the MLS listing on any new Fannie Mae HomePath property. Also, you can attach instructions from the Online Offers Support page.
